Subject: FW: Federal Government Update Call on BP Whiting Spill -- Thursday at 2pm Central

FYI – I reached out to Mayor Emanuel’s office after reading about the Mayor’s concerns in the press this morning. Several members of his staff will be joining today’s 2pm call.

Also, I understand that the some members of the Illinois congressional delegation are likely going to send a letter to BP asking for detailed information about the spill. Rep. Quigley’s staff is working on the letter and I’ve requested a copy once it’s signed.

Safe travels, and please let me know if you have any questions or concerns,
